Secretary Juan José Guerra Abud
Secretaría de Medio Ambiente y
Recursos Naturales (Semarnat)

Dear Secretary Guerra:

I am writing on behalf of the members of the Joint Public Advisory Committee (JPAC) to inquire on the status of the selection process for the next executive director of the Commission for Environmental Cooperation (CEC) of North America.

As you are aware, the mandate of the current executive director, Irasema Coronado, will conclude at the end of this year, giving our country very few months to launch the call for candidates and then conduct the corresponding selection process. For this reason, I reiterate that we are completely at your disposal to support this process, which will surely culminate in the nomination of the most suitable individual to be the next executive director for the CEC.

Looking forward to hearing from you; please receive my kindest regards.
