Financial Assistance

Please verify your passport's expiry date and apply for your visa (if necessary) before you make a request for financial assistance.

The CEC would appreciate it if participants and their institutions could assist with travel and accommodation costs. However, a limited financial assistance may be provided by the CEC in accordance with its “Framework for Public Participation in the Commission for Environmental Cooperation Activities,” available at http://www.cec.org/files/pdf/publications/guide19_en.pdf.

Participants may apply for financial assistance by completing and returning this request to the CEC **before 7 March 2008**. **Applicants will be informed the week of 17 March 2008, whether their requests for financial assistance have been approved.**

ONLY nonprofit organizations and individuals from Canada, Mexico or the United States may apply for financial assistance. Government representatives are not eligible for financial assistance. Funding will be limited to one representative per organization.

I, or the nonprofit organization I represent, wish to be considered for financial assistance. I have attached a one-page statement of interest demonstrating my expertise—or that of my organization—with the topic(s) to be addressed at the public meeting.
