Memorandum

DATE: 18 June 2001

A / PARA / TO: Alternate Representatives

CC: GSC

DE / FROM: Janine Ferretti

OBJET / ASUNTO / RE: Identification of the Commission

Following informal discussions regarding the logo and name of the Commission with various delegates during the 4-5 June Alternate Representatives meeting, the Secretariat proposes the following:

1. Remove the "North America" element from the acronym in the logo (CEC-CCA-CCE, three monarch butterflies and globe).

2. Continue to use "North American" or "of North America", where appropriate, as an adjective describing the Commission in order to distinguish this organization from others with similar names, including the Canada-Chile Commission for Environmental Cooperation, as mentioned in my memo of 24 May (see attached copy of web page). Furthermore, the acronym used throughout the text will be CEC/CCA/CCE.

We believe this proposal, as shown in the attached letterhead sample, eliminates any legal obstacles while allowing us to more precisely identify the Commission in time for the Guadalajara meeting. We look forward to consensus on this issue.
