OBJET / ASUNTO /RE: SEM-12-002 (*St. Lawrence River Wind Farms*)

In accordance with Guideline 19.9 of the *Guidelines for Submissions on Enforcement Matters under Articles 14 and 15 of the North American Agreement on Environmental Cooperation*, the Secretariat is writing to inform you that, due to resource constraints for developing French and English versions of the Article 14(1) Determination in SEM-12-002 (*St. Lawrence River Wind Farms*), and the Secretariat's consideration that although the Submission initially appeared to meet the Article 14(1) criteria, but during its Article 14(2) analysis a revised submission was found to be necessary, the Determination was thus issued on 3 April 2013, which is 3 working days later than the date the Secretariat should "normally" have provided the Determination pursuant to Guideline 19.1.
