RE: Submission under Articles 14

Submitter(s): Southwest Center for Biological Diversity
and Dr. Robin Silver
Party: United States of America
Date: November 14, 1996
Submission No.: SEM-96-004

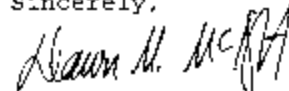

Dear Sirs/Madams:

On November 14, 1996, the Southwest Center for Biological Diversity and Dr. Robin Silver submitted two submissions under Articles 13 and 14 of the North American Agreement on Environmental Cooperation.

We are extremely pleased that the Secretariat intends to prepare a report in an effort to protect and enhance the San Pedro Riparian Conservation Area and watershed, pursuant to Article 13. As we noted in our letter of May 1, 1997, with the Secretariat's action, please consider our Article 14 submission withdrawn pursuant to Procedures for Submissions, Part 14.

Thank you for your efforts.

Sincerely,

Dawn M. McKnight

On behalf of:
Southwest Center for Biological Diversity and
Dr. Robin Silver
