Re: JPAC Letter dated March 16, 2006

Dear Mr. Sandoval:

On behalf of the Council of the Commission for Environmental Cooperation (CEC) and the Alternate Representatives, I would like to thank the Joint Public Advisory Committee (JPAC) for its letter requesting a private meeting with the Council at the next session of the Commission on Environmental Cooperation, which will be held from June 27-28 in Washington, DC.

I am pleased to inform you that the Council has dedicated time on its schedule for a meeting with the members of the JPAC. The meeting is scheduled to take place on Wednesday, June 28. The Council hopes to have a constructive discussion and to hearing JPAC advice about current programs and the future direction of the CEC.

I look forward to seeing you next month.

Sincerely yours,

Jerry Clifford
