Frequently Asked Questions

#CEC32

1. Do I need to register for the event?
Yes, you need to fill out our registration form to gain access to the event. Please fill in the registration form.

2. How will my information be used?
Gathering participant data upon registration is important to us at the Commission for Environmental Cooperation (CEC), as part of our commitment to delivering a more tailored and impactful experience for our community. Your privacy is important to us. The information you provide will be kept confidential and will not be shared with third parties without your consent.

The data collected helps us better understand our audience and gain valuable insights into participant demographics, geographic locations and other relevant factors. Specifically, geographic information will help us inform you about CEC events happening near you. This will enable us to make more informed decisions on our outreach efforts, in order to better engage our North American community. It will also allow us to better address audience diversity and ensure that our communications are relevant, resulting in a more personalized and engaging experience for all.

3. Can I login from any device or browser?
Yes, you can join the event virtually from any device, including desktop computers, laptops, tablets, or smartphones. The event will be hosted on the Zoom platform, which is compatible with most modern web browsers.
