and Dr. Robin Silver

Party: United States of America

Date: November 14, 1396

Submission No.: SEM-96-004

Dear Sirs/Madams:

On November 14, 1996, the Southwest Center for Biological Diversity and Dr. Robin Silver submitted two submissions under Articles 13 and 14 of the North American Agreement on Environmental Cooperation.

We are extremely pleased that the Secretariat intends to prepare a report in an effort to protect and enhance the San Pedro Riparian Conservation Area and watershed, pursuant to Article 13. As we noted in our letter of May 1, 1997, with the Secretariat's action, please consider our Article 14 submission withdrawn pursuant to Procedures for Submissions, Part 14.

Thank you for your efforts.

Sincerely,

Ďawn M. McKnighť

On behalf of:

Southwest Center for Riological Diversity and

Dr. Robin Silver
